

WWA Risk Questionnaire

Client Self-Assessment

	ENTER Client Name Here>
1	How would you describe your personal investment style?
	OAggressive
	Moderately Aggressive
	Moderate
	Moderately Conservative
	Conservative
2	What is your approximate net worth excluding your principal residence?
	OLess than \$100,000
	\$100,000 to \$250,000
	\$250,000 to \$500,000
	\$500,000 to \$1,000,000
	\$1,000,000 or more
3	Based upon current monthly bills, how many months of emgerency savings do you have in unrestricted liquid assets?
	OSix months or more
	OFour to five months
	OThree months
	OTwo months
	One month or less
4	Over the next ten years, you expect your annual income to:
	OIncrease substantially
	OIncrease moderately
	OStay about the same
	Obecrease moderately
	O Decrease sustantially
5	From September 2008 through November 2008, North American stock markets fell over 30%. If you we invested in a strategy that lost 30% within 3 months, you would:
	OSell all of the remaining investment to avoid any additional losses
	OSell a portion of the remaining investment to protect some of your capital
	OHold onto the investment in the hopes of an eventual market rebound
	OBuy more of the investment now that prices are lower

6 Knowing that higher returns are typically accompanied by higher risk exposure, over the next 10 want my investment account to average the following annual rate of return:	years, I
1% to 3%	
3% to 6%	
6% to 10%	
10% to 15%	
15% or more	
7 Which statement best describes the action you would take if you experienced a 10% loss in you account(s)?	r
OI can not afford to take a 10% loss	
OI would either abandon, or make significant changes to the current investment strateg	gy
OI would make minor changes to the current investment strategy	
OI would not make any changes to the current investment strategy	
OI would take advantage of the downturn and invest more into the current strategy	
8 Which statement best describes the action you would take if you experienced a 20% loss in you account(s)?	r
OI can not afford to take a 20% loss	
OI would either abandon, or make significant changes to the current investment strateg	5 y
OI would make minor changes to the current investment strategy	
OI would not make any changes to the current investment strategy	
OI would take advantage of the downturn and invest more into the current strategy	
9 Which statement best describes the action you would take if you experienced a 30% loss in you account(s)?	r
OI can not afford to take a 30% loss	
OI would either abandon, or make significant changes to the current investment strateg	5 y
OI would make minor changes to the current investment strategy	
OI would not make any changes to the current investment strategy	
OI would take advantage of the downturn and invest more into the current strategy	
10 The portfolio we might recommend will fluctuate in value. Hypothetically, what's the maximum (drawdown) that you could tolerate in connection with the selected investment strategy?	loss
O 5%	
O10%	
O15%	
O20%	
U 2070	

11	Hypothetically, knowing that higher returns are typically correlated with higher risk exposure, which of the following 1-year scenarios is most appealing?
	The virtual certainty of a 2-3% gain
	Risking a 5% loss for the chance at a potential 10% gain
	Risking a 10% loss for the chance at a potential 20% gain
	Risking a 20% loss for the chance at a potential 40% gain
	Risking a 50% loss for the chance at a potential 150% gain
12	Which of the following best describes your primary objective as an investor?
	Safety (Preservation of Capital)
	Ocurrent Income
	Growth of Capital
	Balance of Growth & Income
	Maximizing Returns (Despite the Risks)
13	Do you agree or disagree with the following statement: "When the market goes down, I prefer to sell some of my riskier assets and put the money in safer assets."
	Agree
	Somewhat Agree
	Disagree
14	Do you agree or disagree with the following statement: "I prefer investments with very low volatility, and I am willing to accept the lower returns associated with these investments."
	Agree
	Somewhat Agree
	Disagree
15	Do you agree or disagree with the following statement: "I prefer investments that will maximize returns, and I am willing to accept substaintial periodic losses in order to achieve that goal."
	Agree
	Somewhat Agree
	Disagree
