

# The 401(k) Built for Financial Advisors

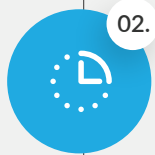

# 401GO

01.

**Automation streamlines 401(k) administration for everyone:** plan sponsor, participant, and advisor

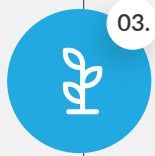

---

02.

**Complete setup in 15 minutes:** no waiting weeks or coordinating with multiple professionals

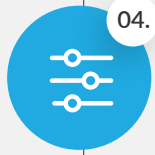

---

03.

**Grow your business easily:** with a platform that is built for the micro-market

---

04.

**Created for advisors:** customized billing inside our partner portal

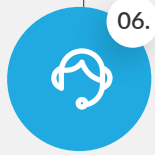

---

05.

**Bundled solution:** just one source for TPA, recordkeeper, custodian, with added 3(16) and 3(38) services

---

06.

**Stellar support for advisors:** dedicated strategic partnership coordinator

*"After our positive personal experience, we started offering their plans to our clients, many of whom thought this type of benefit would not be within their reach."*

- Debbie S

*"The simplicity and exceptionally fast plan design process is a big differentiator. The low cost structure combined with the admin and investment technologies makes 401GO the best first option to consider."*

- Gary L
